Black Bros Exhibiting at FabTech 2009 Show

For the third consecutive year, Black Bros. Co. will be exhibiting at FabTech International and AWS Show 2009. The exhibition will take place at McCormick Place in Chicago, IL, on Sunday November 15 – Wednesday November 18, 2009.

The Black Bros. Booth will feature live video demonstrations of metal blanks being coated with an oil-based lubricant and other metal stamping operations. Bill Masear, Director of new markets at Black Bros., will be ready to assist with all your interests at the show.

For over 125 years, the Black Bros. emblem has proudly identified equipment as the finest available. Our machines are known for their high productivity and extreme durability. That's why our customers have relied on Black Bros. products for generations
