Join Black Bros. at Metal Form Mexico 2009

Black Bros. Co is looking forward to exhibiting at Metal Form Mexico on June 2nd – 4th, 2009, in Monterrey, Mexico.

Black Bros. has been in the Metal Stamping industry for many years. Bill Masear, Director of New Markets, will be representing Black Bros. at this tradeshow and will have the opportunity to converse on Black Bros. products and services that cater to the Metal Forming industry; such as Roll Coaters and our novel Compact Coater that have a unique roll frame and design that ensures a rigid assembly and excellent control of the coating process.

Black Bros. provides over 126 years of custom machine building knowledge and experience. Rid your operation of the mess inherent to spray lubrication.

Join us at **Booth # 1537** at Metal Form Mexico 2009. We look forward to visiting with you. For further information, please visit our website at www.blackbros.com or call 800.252.2568.
