

Roll Reconditioning

that cannot be matched . . .

Black Bros. Co. has been reconditioning rolls for over 80 years. We manufacture the whole roll (steel core to rubber covering to roll finish specifications).

*We built your roll, we know it best.
Send it to us and we'll do the rest!*

*We will recondition your roll to ensure proper coating weights
and to eliminate coating waste.*

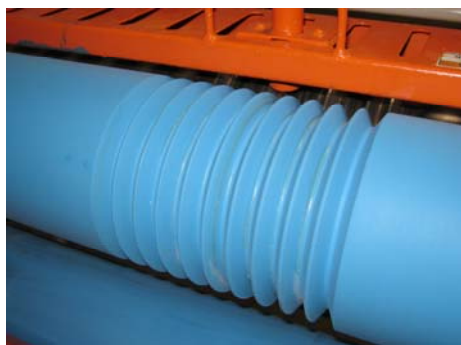

Composite

*Standard Compounds Available:
Neoprene, SBR, EPDM, Buna
Nitrile, Carboxylated Nitrile,
